Dear Mr. Hood,

Your letter dated the 26th. ulto., has been received and contents have been noted with thanks. We note you have received payment for the £. 4.15.4. from BSNEO which clears this matter. If you look up ours of the 15th. May last you will see that having received this sum there is an old balance pre-war of £. 4.17.1. in your hands due to us but that is less outlays since the 18th. April (cigs) We suggest you clear this balance off by sending cigs. so that there will be nothing in your hands except new shipments. This is easiest. You will know what costs of what you sent since the 18/4/1946 are and what you can still send to clear it off. Thanking you. As soon as what you advise comes to hand we will acknowledge. We are,

yours faithfully,

A. Weststrate Janzn.,
